

Room 11

January 2022

Ms. Christina and Ms. Teresa

MONTESORI ACADEMY

Hello!

We hope you had a wonderful time with family and friends during the holidays! We are excited to start a new year with your kiddos!

This month we are welcoming Carly and Ruth! They are moving up from the infant room. It is so fun to see our friends that have been in room 11 for a bit, as they welcome and help to teach our new friends more about our classroom.

This month we will be exploring colors, counting, and a little about our emotions. We will continue to work on sign language, painting, and cleaning up our toys that we play with. We love seeing their excitement for books! The class especially loves books with animals, and they will practice animal sounds.

As it continues to get colder outside, please bring a coat, snow pants, gloves, and a hat for your child. We won't be out long on very cold days, but we do want to give them a chance to explore the changing environment.

♥ Ms. Christina and Ms. Teresa
