

Dear Room 4 families,

I hope you all had a nice Winter Break and were able to enjoy some special family time with one another. We are happy to have you back and excited to begin another great year.

As we said goodbye to 2021, we were focusing on kindness in the class and how to fill other people's buckets, as well as their own. We will continue that in 2022 with recognizing some Grace and Courtesy lessons (how to greet a friend, get someone's attention, and respect for others, respect for self, and respect for the environment.

We are excited to welcome Miss Natalia to our team this month. She will be the new assistant/after care teacher and brings with her years of experience working in early childhood education.
