

January Newsletter Room 7

Happy New Year!

We would like to welcome Joe and Vonn to Room 7!

Excited to be back at school and ready to begin new lessons!!
Winter is in full swing, be sure to send your child prepared for outdoor play, we love fresh air so even if it's a bit cold we'll try to go outside every day.

This month we will finish learning about Europe then it's on to the continent of Antarctica. We will explore the special animals that live on and near this continent.

We will also learn about the Human voice, a unique "musical instrument"!

We will also continue to talk about geometric solids and build awareness of polynomial shapes and vocabulary associated with them.

Happy Birthday to..... Zara Garcia.....8th
Jonas Jarolimek...23rd

Remember these dates:

Martin Luther King Jr. Day.....School Closed 17th
