

FEBRUARY NEWSLETTER ROOM 3

Hello Room 3 Families!

Thank you to those who joined our Curriculum Week! We hope the information provided helped shine some insight toward the great work within a Montessori classroom and what the children are achieving from the program.

This month we will be having a Valentines celebration on February 14th in our classroom. We will create bags in class for the children to exchange valentines. Please have your child write **their** name on their valentines; this makes it easier for the children to be able to walk around and hand them out. Some great alternatives to candy are pencils, stickers, tattoos, etc. It is okay to bring Valentines with candy as we will let the kids save them to take home!

Miss Tiffani Miss Maxine

Artist/Composer of the Month:

- *Henry Matisse*
