### *Geography/Culture*

This month we will be learning about Asia. We will talk about the many countries, cultures, flags, languages and animals.

### *Arts*

Our artist this month will be Georges Seurat. We will be talking about his life and looking at some of his work. For musical enrichment we will be learning about the music composer, Johann Sebastian Bach.

### *Celebrations*

President's Day is celebrated this month. To honor the holiday, we will be polishing pennies as well as talking about our presidents and learning their names. We also have a fun book and worksheet to celebrate Groundhog Day. Thursday, February 11th, we will have a small Valentine's Day party for the children. We will be exchanging Valentines with one another. Please have your child write **their name only** on 20 Valentine's. It makes it easier for them to hand out.

## A Few Notes
