Happy February!

We will be celebrating Valentine's day on **Monday February 14th**. Please label your child's valentines with ONLY their name. We will pass them out during our morning circle time. Great substitutes for candy: pencils, erasers, stickers, tattoos, etc. It is okay to bring Valentines with candy as we will let the kids save them to take home!

Composer of the Month : **Johann Sebastian Bach**

Continent of the Month: **Asia & Celebration of Chinese New Year**

Cultural Focus:

Reptiles: Children will learn what defines a reptile, what habitat they live in, what they eat, how they take care of their young, and what parts of the world they live in.

Space: Children will learn about the mysteries of the Universe including names and facts about the planets, conditions of each planet, and the role of scientists and astronauts.

“The greatest gifts we can give our children are the roots of responsibility and the wings of independence.”

Maria Montessori
