

FEBRUARY NEWSLETTER ROOM

Dear Families,

Can you believe it is March? I am so grateful for the longer daylight and the buds in trees! If you have not yet met with me, please let me know when you would like to meet.

February was filled with work and field trips and some COVID. Fifth and sixth graders had a blast at MOSS. Thank you, Mick and Mysti for being chaperones! The fourth graders had COVID exposure so we are still working on rescheduling field trips. We celebrated the full moon on Valentine's Day. Fourth are working on fractions and early civilizations. Fifth are working on decimals, square roots and the Middle Ages. Sixth graders are working on cube roots, percentages, and the Civil War.

IMPORTANT CLASSROOM DATES AND REMINDERS

Happy Birthday to: 🎂

Henry Silvester

March 25

Worm Moon 🌕
