

## APRIL NEWSLETTER ROOM 8

Dear Families,

We hope you all enjoyed your beautiful, relaxing spring break with your kiddos. This month we have a lot of fun learning to look forward to and of course, Earth Day clean-up.

In the classroom, we are learning about subtraction, multiplication, and division. We will be taking a closer look at the Timeline of Life, and diving into the Timeline of Humans. Yay for our rich Cultural Curriculum!

Please stay tuned for an email about our elementary Earth Day clean-up on April 29th. We will be prepping our garden, tidying up equipment and working to make our outside environment look beautiful.

### IMPORTANT CLASSROOM DATES AND REMINDERS

  **Happy Birthday to:** 

Sami- April 10th
