

MARCH 2022 NEWSLETTER ROOM 6

I can't believe it's already March and the weather outside is beautiful but chilly! Please remember to bring a coat and appropriate clothing for outside play. Please welcome Miss. Crystal as the new Assistant in Room 6!

You should be on the watch for your child's progress report that helps track growth over a 3 year layout of Montessori experiences. Should you have any questions, I welcome you to email me directly. Looking forward to another month of learning and fun!

Artist of the Month: Henry Matisse was a famous French sculptor, painter and printmaker. This month we will be looking at his works and life. His bold choice in colors are something we look forward to exploring.

The Goldfish by Henry Matisse

Cultural Focus: This March we will be studying South America on our cultural shelves. The flags, food, and animals of S. America are just a few of the things we will look at. If you have a South American artifact, travel story or post card feel free to share it with Miss Olivia.

Science: Spring is around the corner and with that we will be talking about the seasons changing weather and all it brings. As part of that study we will be looking at amphibians in the classroom. If you have a favorite amphibian, let us know so we can be sure to include them in our discussions.

Childhood is not a race to see how quickly a child can read, write, and count. Childhood is a small window of time to learn and develop at the pace which is right for each individual child.

We will also be asking the questions "Where do colors come from and how are they made?" Exploring the rainbow in the month of March will help as we further research colors.

MISS OLIVIA'S OFFICE HOURS

Feel free to email me at any time at my school email address. I typically check my emails once in the morning and try to respond within 24 hours. Olivia@montessoriacademyidaho.com
