

APRIL 2022 NEWSLETTER ROOM 6

I hope everyone enjoyed their Spring Break out in the nice Idaho weather. We will go outside rain or shine, so please remember to bring a light jacket for our recess time!

Earth Day is on April 20th! We will discuss different ways to help our environment as well as what we can do to make it a better and a cleaner place to live. We will also have the opportunity to release thousands of ladybugs into nature!

Artist and Composer of the Month: The Artist we will be learning from is Jackson Pollock. He was a famous Abstract Expressionistic Painter. Pollock used his paintings to express his feelings, in which he called “action painting”. The Composer we will be listening to is Johannes Brahms . He was a famous Romantic composer. His charming and emotional music was often inspired by nature.

Cultural Focus: This month of April we will be studying Africa on our cultural shelves. We are going to explore the flags, food, and animals of Africa. If you have anything to share such as: artifacts, books or pictures. Please feel free to bring them in :)

Science: Parts of a Bird and Flower are going to be our two main focuses this month of April. In and out of the classroom we will be exploring the different Native Idahoan Birds we see and what a flower needs to grow.

Thank you for your continuous support and encouragement!!! Your children are incredible and it is our pleasure to help them grow :)
