

May Newsletter Room 2

Dear Families,

We are at the end of our crazy school year! We made it! This month we will be focusing on the continent of Australia. We have learned about all five classifications of vertebrates (mammals, birds, fish, reptiles, and amphibians). Now we will focus on invertebrates mainly insects. We will be learning all about the different parts of plants, flowers, and seeds. May 26th is Kindergarten graduation. I am so proud of our two kindergarteners Amelia and Bradley, Way to go!! May 27th is the last day of school; I hope everyone can join us for the last day. May 27th is also a half day of school, so 12:30 pick up. I will be hosting a pizza party for the kids on the last day of school! I have enjoyed getting to know all of you and your children. I will miss them dearly next year.

Thanks,
Ms. Ashley
