

MAY 2022 NEWSLETTER ROOM 6

Dear Room 6 Families,

It truly was a pleasure to connect with you all during our parent teacher conferences! The endless support from you all is amazing and thank you for all that you do! We as teachers wouldn't be here without you!

May is a fun-filled month with new explorations your child will explore in their classroom. We will continue to watch our Butterflies grow and release them this month!

Please feel free to bring shares that resonate with our learning objectives for the Month of May!

Happy Spring and all that Idaho weather has to offer! Remember to bring a light jacket, as we will go outside everyday :)

Artist of the Month: The Artist we will be learning from is Salvador Dali and his paintings of surrealism, modern art and my favorite cubism. (The picture above is called *The Ship with Butterfly Sails*)

Cultural Focus: This month of April we will be studying Australia on our cultural shelves. We are going to explore the culture, flags, food, and animals of this continent across the world. If you have anything to share such as: artifacts, books or pictures. Please feel free to bring them in :)

Science: Parts of a Butterfly and Kangaroo are going to be our two main focuses this month of May. In and out of the classroom we will be exploring the different wildlife that are starting to emerge from their winters rest and what Spring has to offer for our outdoor environments.

Homework For Room 6

Spreading Kindness is one of many things your child does in their classroom! I've challenged myself to spread kindness throughout our community! Take a snapshot of your child spreading kindness! I cannot wait to see them :)
