

JUNE 2022 NEWSLETTER ROOM 6

Dear Room 6 Families,

We had a GREAT YEAR and I would like to thank you all for all of your support and hard work! It has been exciting watching your children grow to their potential in a Montessori Environment!

Oh, how Idaho weather likes to fool us all!

Please remember to bring a light jacket, as we will go outside everyday :)

Kindergarteners, we wish you all an amazing adventures in First Grade!

Artist of the Month: The Artist we will be learning from is Andy Warhol. He was an American artist who was a leading figure in the visual art movement known as pop art.

Cultural Focus: This month of June we will be studying Planet Earth as we come full circle from the beginning of the school year in September. We will learn about the layers of our Earth and the many landforms.

Science: Parts of a fish and shark are going to be our two main focuses this month of June. We will be exploring plant life and animals of the oceans around the world! This study is a crowd favorite in room 6, I look forward to diving into our explorations to come!
