

ROOM 1 OCTOBER 2022 NEWSLETTER

Hello Room One Families,

The year is off to a great start! It has been so much fun getting to know our new friends in our Toddler community!

If you'll notice, parent teacher conferences will be coming up on the 20th and 21st, and will be held in person.

I will be sending out progress reports prior to our meeting; if you have any questions in regards to what you see that you would like to discuss in particular, my email is at the bottom of this newsletter and I will be happy to prepare!

UNITS OF STUDY

As it begins to get further into the change of the season, we will be exploring the harvests of fall as we incorporate more food preparation into our curriculum. Your child will be learning about the way fruits and vegetables grow, and the processes involved in picking and preparing them for eating and sharing! Alongside our food preparation, students will have more opportunities for self and community care as we learn how to clean our dishes and prepare our environment for the next activity.

The snack sign up sheets for our bulk snack items will be placed outside the classroom at the beginning of each month, thank you for your participation!

Important Dates

October 20-21

School Closed
Parent Teacher Conferences

October 22

Fall Festival 10AM - 1PM

October 24-28

Bookfair

Quote of the Month

"The absorption of the environment is an intellectual activity. It is a psychic necessity that the child explores the environment; it satisfies their spirit. After they have had the satisfaction of observing one thing that interests them, they go on until they are attracted to something else. In this way, the child can walk for miles."

- Maria Montessori, 1946
