

October 2022

Room 1

All School Bulletin

Hello Room One Families,

I am happy to report that the start of the year has been a success, we are off and running! I want to thank all the families that provided snack last month, we had more than enough for everyone. I appreciate you!

Every year for the Halloween Celebration the children get to dress up in their costumes, and have a parade around the school! The parade will take place on October 31st around 9:00 a.m. The children will parade outside around the parking lot so you can watch. Please have them wear their costumes to school and bring a change of clothes in a bag.

Our focus this month is continuing the study of Continents, and we will begin with Africa. Studying the map of Africa, animals, culture, and listening to African music. Since it is October, we will be learning all about spiders, and will have an opportunity to dive deep into parts of a spider using picture cards!

This month, we will also be learning about nutrition, and what a healthy meal consists of. We will be discussing Food Groups and how to integrate that into our daily lunches. Each child will get a chance to show the class what they brought for their lunch, and the students will vote if it's a healthy choice, or discuss what healthy choice they can choose instead.

I'm looking forward to another great and SPOOKtacular month!

Thank you,
Kendra Banks
