

With one month of school under our belts, I can truly say I have an awesome class. We have all settled in well with new friends, learning and, fun.

October Themes,

October is a good time to learn about spiders (my biggest fear). We will also be discussing nutrition and what keeps us going, also learning the continents on our Earth as well as caring for the Earth. The parts of a circle and music genre of the Blues.

Character trait focus: Peaceful, happy and kindness

For our **Halloween celebration** we will be having a costume parade. Your child can arrive to school in a costume, we will then parade around the school and through the parking lot (so plan on staying) to watch it's pretty cute! Please no weapons, or complete face coverings to be sensitive to fears that some may have. Also bring a bag and extra clothes to change back into after the parade.

As always, I strongly suggest reading the best book on the planet in my opinion, for raising a strong and confident child. The book *The Gift of Failure* by: Jessica Lahey

CLASSROOM DATES AND REMINDERS

Community Lunch, October 7th: I have one helper so far, looking for another one. You will be needed about 11:30 to 1:00 approximately. Just to help serve lunch to children and help with clean-up.

I will send a sign-up gene out to help with food items.

ALL SCHOOL DATES AND REMINDERS

October 20 & 21 parent teacher conferences

October 22nd. Open House at our school (details from front office school newsletter)
