

NOVEMBER NEWSLETTER ROOM 6

Dear Families,

Happy November Everyone!

We have community lunch coming up this month. Our yearly Stone Soup celebration. I will put out a sign up sheet under the parent board for soup items about a week before our lunch. Please do not send your child with a lunch box on Friday Nov.18. Thank you.

This month we will be studying Asia! We will take a look at both our political and biome maps. We will study animals, important places, people, flags, and more. With all of the leaves falling, we will also begin a leaf study. Lastly, We will start looking at many peace makers and discussing their qualities and attributes.

Have a great month! Cheers,

Ms. Laura

IMPORTANT CLASSROOM REMINDERS

If your child needs to have rain/snow boots, please send them with their boots on instead of bringing them and wearing other shoes (they can wear their inside shoes in class). Having more than 2 pairs of shoes at school is too much to store. Thanks for your help with this.
