

MONTESSORI ACADEMY

NOVEMBER NEWSLETTER ROOM 9

Dear families,

As we move into November and deeper into fall we will be focusing on all that we are thankful for through books, our writing, community building, etc. I'm so thankful for each and every family at our school and the support you provide daily to your children.

This month in math, 6ths are focusing on cubing in math, 5th years are diving into fractions and 4th years are working on abstract division. Our cultural curriculum this month includes colonization and revolution, studying ancient Greece and archaeology.

As our community service for the month, we will be cleaning up our playground, collecting leaves to use for compost, putting our garden to sleep. We will be doing this during our P.E. time on a Friday this month. An email will be sent out the week prior (pending weather) so students can bring labeled gloves and rakes.

Later this month, we will be hosting our yearly traditional of Stone Soup, both the performance as well as cooking in the classroom! As the time nears, a detailed sign up can be found in the classroom early November. "Bring what you've got... We're making stone soup!" I'm looking forward to enjoying this holiday season with everyone!

IMPORTANT CLASSROOM DATES AND REMINDERS

Fri., Nov 18th- Classroom Stone Soup Performance and Cooking

HAPPY BIRTHDAY!

Ivan Lawler Nov. 22nd

IMPORTANT ALL SCHOOL DATES AND REMINDERS

Thurs., Nov. 10th

Fri., Nov. 11th
