

DECEMBER ROOM 8

Dear Families,

The Holiday season is here. As a parent, the holiday season can seem overwhelming for me. I find moments of simple family traditions like sleeping by the Christmas tree to keep things in perspective. Our family's well being is the most important thing to celebrate during the holidays.

In the classroom, we will continue to explore the universe, delving into how the Earth was formed.

Thank you for all you do! If you are able to, we have a continuous class wish list for materials in the classroom, please see the parent board.

IMPORTANT CLASSROOM DATES AND REMINDERS
