

# January 2023

## Room 1

Happy New Year!! Welcome to 2023, we made it! Cheers to a new beginning, and a new year full of excitement! I wish health and happiness to you and your family for the new year.

We begin the new year by welcoming our new friends to our class. Welcome to Maximo and Crew! We have a great class with a lot of little helpers that are eager to meet you!

Brrr, If winter couldn't get any chillier, get ready to be even more chilly than Idaho (which is hard to beat)!

We will be studying our next continent, Antarctica! We will be talking all about penguins and icebergs. For science, we will focus on winter, snowflakes, and hibernation, as well as continuing our study with reptiles and Amphibians with a focus on turtles and frogs.

**Reminder:** School will resume on January 4th, 2023!

We will be hosting a Bring your parent to school day, January 26th! This will be an exciting time for your children to show you around the classroom, and show their favorite works in class. You won't want to miss being a kid again for a day!

As always, if you have any questions or concerns, please feel free to reach out by email: [Kendra.Banks@montessoriacademyidaho.com](mailto:Kendra.Banks@montessoriacademyidaho.com)
