

## January Newsletter Room 7

My Dear Families,

I hope you had a wonderful, relaxing break. It was a great time to reset after the hustle and bustle of the Holiday break. I hope that everyone was able to connect with their loved ones, relax and enjoy the calm this white winter is bringing.

January is a great time for teachers, students, and families to stop and reflect, and work on goals. A lot is coming up. In class, we will start one of Montessori's coolest lessons: the Clock of Eons, explaining the coming of life to the universe. We will learn about Geologic time and the living beings that have inhabited the Earth. Yay for fun-filled learning and activities at Montessori Academy!

In the next few weeks, we will have great volunteer opportunities in our classroom as helpers with reading. Parents can also take work home to cut or laminate. Stay tuned! Also, welcome our new student, Quincy. We are so excited to get to know him. Thank you for all you do to make our school a great place to come to work.

### IMPORTANT CLASSROOM DATES AND REMINDERS

Please remember your child needs labeled snow pants, snow boots, jackets, Hats and gloves to be in the snow.

Birthday 🍰

Olivia Duran-January 14
