

JANUARY ROOM 8

Dear Families,

Welcome 2023! So excited for the New Year. We get to see all we have accomplished and take some time to set new intentions. This time of year, the classroom is hard at work. Students and teachers know the routines and are excited to work with each other. We will continue to work on their reading, writing and math skills, as well as geometry. In Language, we will begin to explore grammar with the Montessori Grammar Symbols. In Math, we will learn how to read really big numbers with infinity street. In cultural, we will learn about the layers of the Earth and landforms. Lastly, we will learn about our very elastic brain.

I will be traveling to Puerto Rico, my birthplace, to celebrate my father's 75th birthday. I will be gone from Tues., Jan. 10-18. Ms. MJ will be the guide in the classroom.

IMPORTANT CLASSROOM DATES

Wolf Moon

Celebration Fri., 6th

Look out for ingredients for our full moon celebration.

Assembly Room 8

Fri., Jan. 13th

8:30

Birthdays:

Beckett Jan. 9th
