

February Room 3

Important Dates

Dear Families,

February is here! Hopefully there will be news that spring will arrive early. Keep your fingers crossed ☺

This month our continent focus will be on Antarctica. We will look at Antarctica's biome map and discuss how the size of Antarctica changes during the seasons. We will also learn about the different types of animals that inhabit this icy continent.

Our feeling spots this month are *A Little Spot of Love* and *A Little of Confidence*, both by Diane Alber.

The winter weather is still here! The children need to be dressed properly to enjoy their cold and maybe snowy recess times. We ask that the children have a coat, hat, gloves, and snow boots. Snow pants are only needed when there is snow on the ground. Please label everything!!

Valentine's Day

On **Tuesday, February 14th** we will have a **Pajama Party** to celebrate Valentines Day. We will enjoy a special snack and pass out valentines to our friends.

****Please make a Valentines Box (shoe box size) or Bag (gift bag size) with your child to collect valentines in.**

****Have your child sign only their name to 23 valentines to pass out to their friends.**
