

## February Room 6

Dear Families,

February is upon us, and we have a lot going on. We are beginning our study of South America this month. This study will include South America maps, culture, biomes, animals, and people. In addition, we will be going over the characteristics of amphibians.

We will celebrate Valentine's Day with Pajama Day. If you would like to bring in Valentine's for friends we have 24 students in our class. Please bring them unlabeled "to" with just your child's name "from."

We are coming up on our 100th day of school in February! During the week of February 13th through 16th. I am asking the kids to bring in a collection of 100 items. We will work on linear counting and skip counting to 100 using their items. Get creative!

There is a staff in-service day coming up on February which will give everyone a nice 4 day weekend with President's Day.

**Please bring appropriate outdoor gear for playing outside. If the weather allows, we will go outside whenever we get the chance.**
