

February Room 8

Dear Families,

February is here. We have our Valentine's Day and 100th day of school. Students are invited to make a Valentine's Box and bring it on Monday, February 13th. You can do a quick search on Valentine's boxes online, there are a lot creative and fun ideas. Students can bring cards to share with the class. We have fourteen students in Room 8. We will also celebrate the 100th day of school on February 16th with some fun Stem activities.

As we continue to practice our reading, writing and math skills, we will also start discussing the beginning of life on Earth and the Clock of Eons. This is usually a favorite lesson for students.

Thank you parents for offering your best to our school everyday!

Snow Moon

Celebration Fri., 5th

****Look out for ingredients for our full moon celebration.****

Assembly Talent/Passion Show

Fri., February 24th 8:30
