

**April 2023
Room 1
Newsletter**

Hello Room One Families,

Two months left, WOW! It is hard to believe we are in the home stretch of this year. We have had a great year filled with learning, making friends, and building our skills socially and emotionally. I'm so thankful to be apart of your children's lives!

Our focus this month in science will be the water cycle, weather and clouds. As the trees are waking, we will be looking at the parts of trees and the different types.

In honor of Earth Day, we will be discussing an environmentally cautious citizen. We will learn about pollution and ways that we can take care of our Mother Earth. If the weather cooperates, we will be planting some flowers, and clean up around the school.

Our **Parent Teacher Conferences** sign up sheets will be available soon!

Please take a moment to sign up for your half hour slot. On **Wednesday, April 19th**, there will only be afterschool spots available for those who are already enrolled in the afterschool program. On Thursday, the 20th and Friday, the 21st of April, there will be no school, but childcare will be available during your conference time.

Remember that it is important that your child is not present during our conference as we do not want to talk about a child in front of them!

All School Bulletin

Tuesday, April 11th:

Shakespeare Play 9:15 am

April 20th & 21st:

Parent / Teacher
Conferences
No School
