Room 4**

Dear Families,

Here I am writing the last newsletter of the year! It's true time flies when you're having fun. I have had a great time getting to know your child and helping them grow, not only academically but socially as well. Each and every child in my class holds a special place in my heart. I am sad to see some of them leave my class and really happy about all the children returning next year.

As the year winds down, we will be wishing well to our Kindergarten friends and send them into First grade with confidence and perseverance. We will be celebrating them with graduation on May 25th at 10:00am (more details to come).

We are ending the year with a focus on flowers, planting, and Africa.

Music genre: Country

Character trait: Responsibility / flexible thinking
