Dear Families,

This year has gone by so fast! Thank you so much for joining me for parent teacher conferences. It was really nice getting to chat with all of you about your wonderful kids.

Kindergarten kids will be having a graduation ceremony out in front of our school on May 26th at 10am. Congratulations kindergarten students!

As far as our studies go, we will be finishing up Europe and beginning oceans. We will also take a take a look at the water cycle.

Thank you parents for a great year and have a wonderful summer break.

Cheers! Ms Laura
