

September 2023 Elementary 1

Dear Families,

The days are getting shorter, the evenings cooler, the sunsets even more beautiful. It is a transition time from the fun energetic summer to the fun and invigorating fall.

We, in Elementary 1, are super excited to start the new year. We are lucky to work with children as their enthusiasm is contagious. Thank you, Montessori Academy families, for entrusting us with your children.

Please welcome our elementary staff. First, we have Ms. April. She worked in Room 6 last year with the primary kids and is very excited to work with elementary kids again this year. She loves theater and will have an after-school drama class that was a big hit last year. Next, we have Ms. Milly, she worked in Room 1 last year and is also excited to move to elementary as she works to finish her elementary bachelor's degree. She enjoys crafts and being in nature. Our newest addition is Ms. Megan. She will be our reading specialist. She will work part time and help with literacy lessons. Lastly, we have Ms. Maria. She has worked with children for over 20 years and been a Montessori teacher for over 15 years. We look forward to offering a quality program of social and academic growth for your child.

Please welcome our incoming first graders:

Alex Belyeu	Brooks Caywood	Cordelia McCain
Lawson Woodlief	June Nelson	Caleb Haskins
Luka Iupati	Annie Larned	Ellie Lake
Lucy Hamling	Wynter Shepherd	Elinor Silvester
