Hello Families

Welcome to month number two! We have had a great start to the new year. We have learned grace and courtesy, class routine and have made new friends.

With fall in the air, we will begin learning about the changes that happen in Autumn. Halloween is a fun time to learn about spiders, my biggest fear! We spent September learning about the universe, now we will focus on our planet Earth. We will also spend some time learning about the food pyramid, and work on them packing their own lunch, or at least having more involvement in the process.

Beginning in October we will be opening our classrooms to parents, "Watching Wednesday". The purpose of inviting you in is so that you can see and be impressed with what your children are able to do. In Montessori most everything we do is a hands-on lesson so, paper stuff doesn't really come home. I know that it is early in the year and some children may not be ready for you to come and go. Maybe waiting till later in the year will work best, I can help you with when a good time is, for this will continue all throughout the year apart from some of the busier months. Watch for an invite and schedule times to come from Ms. Randi.

Costume Parade

October 9-13

I (Ms. Kristi) will be out of the environment to make a trip back home (Minnesota) to care for my mom. Ms. Tatum will be in the classroom and Ms. Denise will be assisting while I am out.

Costume Parade

Have your child dressed in costume at arrival time and bring a bag with clothes to change into. Parade begins at 9:15am and you are welcome to stay a watch out in the parking lot.
