

November 2023 Newsletter

Dear families,

As we move into November and deeper into fall we will be focusing on all that we are thankful for through books, our writing, community building, etc. I'm so thankful for each and every family at our school and the support you provide daily to your children.

We recently welcomed Ms. Sara, in the mornings, to room 9 so if you get a chance, peek in one morning and say hi. She has jumped right in and been a welcome addition to our class!

This month in math, 6ths are focusing on cubing in math, 5th years are diving into fractions and 4th years are working on abstract division. Our cultural curriculum this month includes colonization and revolution, studying ancient Greece and archaeology.

Later this month, we will be hosting our yearly traditional of Stone Soup, both the performance as well as cooking in the classroom! As the time nears, a detailed sign up can be found in the classroom early November. "Bring what you've got...We're making stone soup!" I'm looking forward to enjoying this holiday season with everyone!

All School Bulletin

Nov. 2- Wax Museum @ 8:30am
Nov. 10- No School
