

November 2023 Room 4

Hello Families

Fabulous fall continues with beautiful colors, crunchy leaves, and apples!

November Themes: Leaves, leaves and more leaves! Why do they change color, how many types of leaves are there, what shape are the leaves and what parts do they have? We will focus on Biomes in geography beginning with the desert, wetlands, forests, oceans, tundra, grasslands, and mountains.

Watching Wednesday begins this month let me know if you are interested and we can discuss a date and whether your child will be ready for your visit.

Why Montessori?

Besides the fact that it is one of the few educational methods used today that is scientifically based on the developmental needs of the child and the evolving brain. The absorbent mind as Dr. Montessori described it, is in a prime mode for learning and the Montessori environment is specifically designed to appropriately meet its varied needs. That sponge of a brain is immersed in an ocean of learning the Montessori environment.

Stone Soup will be on November 17th for lunch, I will send out a sign-up genie for you to help with ingredients.

All School Bulletin

Tuesday, November 7

*Kindergarten information,
From 5 to 6pm*

November 10

No school Veteran's Day Observed

November 17th

Stone Soup Day

November 22-24

No school for Thanksgiving

November Birthdays

Brady Scott Nov. 1st

Emerson Adams Nov. 15th

Bird sitter

For the week of Thanksgiving break and Holiday break in December if you are interested in bird sitting let me know. She is easy care for and it's a great responsibility lesson for your child.

Looking for volunteers to help with listening to readers!
