

**November 2023**  
**Room 6**

Hello Families!

We are now entering our 3rd month of the school year; it's flying by! We have a fun yet colder month ahead of us. Please make sure to send your child with weather appropriate and **labeled** winter attire. If there is snow, they can bring their snow pants to wear at recess. Please also make sure your child has extra clothes in their cubby as well.

This month, we will be focusing on the continent of Africa and being able to decipher the different types of biomes found there, which animals reside there, etc. We will also be introducing and learning about our shapes.

To celebrate the season of giving thanks, we will be making Stone Soup. This is a European-adopted tradition in which many people come together, each with a different ingredient to create a soup that is shared by everyone. I will be sending out more information and a sign-up list, so please keep an eye out for that email in the next couple of weeks.

Happy Holidays! 🍁

## **All School Bulletin**

### **Friday November 10th**

Veterans Day (Substitute)  
- No School

### **Friday November 17th**

Stone Soup

### **November 22-24**

Thanksgiving Break - No  
School
