

## November Room 5

Dear Families,

Are you ready for the Holiday season? Thank you for a great turn out for Wax Museum, students put a lot of effort into their presentation and I think it showed! They all worked so hard! Thank you for your support!

In class, we will continue learning about the universe moving into our earth. We will also celebrate Thanksgiving with a Stone Soup celebration. Look out for the ingredient list.

Office hours will continue on Thursdays. The signup sheet is between both classrooms.

I hope homework is going well. Please remember that the reading homework is very intentional for your child's reading and writing development.

Here is a lovely quote to end with, "Gratitude unlocks the fullness of life, it turns what we have into enough." -Melody Beattie

### **Birthdays:**

Brooks	2nd
