

December 2023 Newsletter

Dear parents,

We hope you all had a wonderful Thanksgiving Break! I hope it was a chance to reset and enjoy some time together. I want to thank all our families for helping make Stone Soup a success by chipping in to bring an ingredient or two and the students for their hard work putting on a play and helping create a delicious soup.

Holiday season is upon us. What a wonderful time of year to spend time as a family: sledding, skiing, playing board games, and all the many traditions you may share.

4th years will be learning more about the earth and its layers. 5th years are diving into their human body studies. 6th years are continuing to study U.S. history and add bit by bit to their island projects.

Later this month we will spend some time learning about Christmas traditions around the world.

As the weather continues to change, please make sure your child is dressing appropriately for the temperature. Long pants and coats are required for them to enjoy recess. Once we see snow fall; boots, snow pants and gloves are also necessary for them to play in the snow! Happy December everyone!
