

IMPORTANT DATES

Dear Room 5 Families,

Thanks for meeting with us for parent teacher conferences. It's nice to touch base with everyone.

There are many wonderful things going on in Room 5. The children are thriving. I love watching them learn and grow each day.

This month we will be talking about giving thanks, lending a helping hand, and grace and courtesy.

Encourage your child to do something for someone else this month. Helping a neighbor rake leaves, collecting canned goods for the food bank or just helping out around the house.

- November 2 Kindergarten Trip to Brookdale (Veteran's Day event)

Quote Of the Month

The child can only develop fully by means of experience in his environment. We call such experience "work".
