

# December 2023

## Room 4

Hello Families

December is sneaking in. As we move into the Holiday season we will be singing, singing, and singing to bring you a program filled with fun and entertainment. The program will be on the 22<sup>nd</sup> at a time to be announced.

December Themes: We will be learning about what makes an Amphibian, an Amphibian with a focus on frogs. We will hop over to the Northern hemisphere and learn about Europe.

Watching Wednesday: Will continue again in January, be sure to watch for the sign-up.

### What makes Montessori Work?

As my experience as a Montessori educator grew, it became very apparent that what Dr. Montessori discovered about the nature of the child was, in fact, very true. That is, children have an innate desire to learn and to grow, and they follow their own timetable as to what calls to them. This is one of the amazing facts as to why Montessori works. Time after time I have witnessed children immersed in work of their choosing, fully concentrating, and enjoying their sense of accomplishment.

## All School Bulletin

### December 15

Crazy sock day!

### December 22

Holiday program

### December 25-January 5

No school for Holiday break

### December Birthdays

Landon, December 18

### Bird sitter

Looking for a bird sitter for the Holiday break, she is super easy. Let me know if you can help.

Looking for volunteers to help with listening to readers!
