

January 2024 Newsletter

Dear Families,

Welcome back! I hope you all had a wonderful, relaxing break. I'm looking forward to seeing everyone back at school. January is a great time for teachers and students. Everyone is refreshed and ready to begin again.

We will start our month with some descriptive writing, moving into narratives and persuasive essays. Our grammar curriculum deepens with continued sentence analysis and verb tenses. In math, 4ths will begin working with cross multiplication, 5ths focus on order of operations and 6ths are working on learning how to cube root.

Yay for fun-filled learning and activities at Montessori Academy!

**Please remember to make sure your child has proper gear for the weather. If there is snow on the ground students need snow pants, snow boots, jackets, hats, and gloves.
