Room 1

All School/ important classroom dates Bulletin:

February 16th– No school/
Teacher Inservice

February 19th– President's
Day

February 20th– 100th Day of
School

Dear families,

February has arrived! I am hoping spring arrives early this year, fingers crossed! :)

This month for Geography, we will be focusing on oceans around the world. We will be locating and naming them. We will also be discussing land and water forms, and exploring things that sink or float! For science, we will be studying parts of a fish, and what makes a fish a fish.

On Wednesday, February 14th, we will be having a pajama party to celebrate Valentines Day. We will also be passing out valentines to our friends. *I will have an example of what type of Valentine's box your child can bring, nothing more than the size of a small shoe box, or they can bring a gift bag to collect their Valentine's in! **Please have your child ONLY sign their name to 23 Valentines to pass out to their friends. (From:___)

Or they can be addressed "To a friend" you do NOT have to write out each child's name for the class! We are doing a candy-free Valentine's Day to honor our low-sugar policy.

We will be celebrating our 100th Day of School on February 20th! Stay tuned for more information as it gets closer!

Happy Birthday To:

- Graff– 2/13
- Arliana– 2/23
- Emmett–2/18
