

February 2024

Room 3

Hello Families,

February is here! I cannot believe it! Last month was a bit crazy with the weather but hopefully this month we will settle down. Our playground will be a sloppy mess for a while so please make sure your child has waterproof boots for recess. They will still need hats and gloves for the month. Snow pants are only needed when there is snow on the ground.

Our continent studies this month will take us to Asia. We will learn about the biomes, countries, foods and the unique animals that inhabit the continent. We will also learn about the Lunar New Year. In Geography we will learn about the isthmus and strait landforms.

Other areas of study this month will include reptiles, amphibians, solids and the months of the year.

Valentine's Day

On **Wednesday, February 14th** we will have a Pajama Party to celebrate Valentine's Day. We will have a special snack and pass out valentines.

****Please make a Valentines Box (shoe box size) or a Bag (gift bag size) with your child to collect valentines in.**

****Have your child only sign their name to 23 valentines to pass out to their friends. Please No Candy.**

****There will be a place on the snack calendar for someone to signup for the special snack.**

Birthday's

Ella's 6th Birthday on the 28th
