

February 2024 Room 6

Hello Everyone,

I hope you've all been enjoying the snowy winter weather so far!

This month, we will be learning all about our Water Cycle. We will have a fun song to learn how the water cycle works and the different stages. We will also be learning about all the different types of weather, as well as the continent of Asia this month.

We are also going to be having our Valentines Day party in class on the 14th. Each child will create and prepare their own "Valentine's mailbox". I will send more info in an announcement on Transparent Classrooms shortly, as well as a class list so your child can personalize each of their classmates' valentines. It is also Pajama Day on Valentine's Day.

Our 100th day of school is also quickly approaching, so more info will also be sent out about that as it nears closer.

As always, please let me know if you have any questions or concerns!

All School Bulletin

Wednesday February 14th

Valentines Day - Pajama Day

Friday February 16th

Inservice Day - No School

Monday February 19th

Presidents Day - No School
