

February 2024 Newsletter

Dear Room 7 Families,

We had a lot of practice dressing and undressing with all our snow gear in January! Thank you for remembering to send in items that keep your children comfortable outside! We have had many new lessons -learning how to properly use water colors with a gentle hand, and how to introduce yourself and greet a new friend . We have also practiced the names of the geometric solids and learned what Impressionism is in Claude Monet's paintings.

Our class will exchange Valentines on February 14th. Valentines will be sent home to open and enjoy! For cards , please address them who they are from only. We have 16 students in our class. Please be mindful that we are a nut free environment.

Wishing Vonn and Adithya a very Happy Birthday!
