

Dear Room 2 Families,

Happy (almost) Spring! We are looking forward to welcoming the new season together by planting our own Marigolds and studying parts of a flower as we watch them sprout.

We will be celebrating St. Patrick's Day together on **March 15th**, as the Holiday falls on a Sunday. Before our early release we will try to catch a leprechaun while learning about Irish culture and the history behind the Holiday- Don't forget your **green!**

As the days begin getting warmer, please check your child's cubby for any extra winter gear.

Units of Study

The Continent of Europe

- Countries, Animals, and Culture -

Parts of a Flower

-Scientific Method in Planting Seeds-

Ocean Studies

-Layers of the Ocean and The Seven Seas-

Parts of a Fish

Quote Of the Month

"The secret of good teaching is to regard the child's intelligence as a fertile field in which seeds may be sown, to grow under the heat of flaming imagination."

-Dr. Maria Montessori
