

March 2024
Room 6

Hello Everyone,

I am so excited to be in Room 6, it has been amazing to get to know all of your children. I have met some parents at drop-offs and pick-ups which has been lovely! I wanted to take this opportunity to share a bit about myself. I am 21 years old and currently enrolled in Eagle Montessori Teaching Academy. I have 3 months left until I graduate! I have 3 years of Montessori experience and have worked with age groups pre-mont through lower elementary, but the primary ages have a special spot in my heart. When I am not in the classroom, I enjoy spending my time out in nature, reading books, hanging out with friends and family, and I love to bring out my artistic side whenever possible! I'm so excited to connect with you all as the year progresses and am always open to answer any questions that my come along!

As we are approaching the spring season, we will be learning about the life cycle of a butterfly as well as the parts of a flower. We'll have lots of fun practical life and art works this month. I may need some materials for these works, so please keep an eye on the Parent Board if you're willing and able to provide something for the class; it's never expected but very much appreciated!

This month, we are also learning all about the continent of Europe. We will focus on the different countries and cultures found in Europe, through various art and geography works. If any of our families have pictures, stories, and/or any trips or connections to Europe, I strongly encourage you to reach out to me so I can share it with the class.

Sincerely,
Miss Savannah

All School Bulletin

Friday March 15th

Half Day (12:30 pickup)

March 18-March 22nd
