

Dear Room 6 Families,

Merry March! I hope you all had a lovely February and are ready for what March has to bring. The weather outside is beautiful but chilly. Please remember to bring a coat and appropriate clothing for outside play. We will be going outside for scientific explorations as one of our main studies this month will be focused on the weather and seasons beautiful Idaho brings. Room 6 loves our times for shares during our classroom meetings during the day. Please note: shares are based on our Units of Studies. Keeping toys at home would be appreciated.

!!Happy Birthday Parker and Camille!!

Miss Olivia and Miss Lauren

Units of Study

- Amphibians: What are they and do any Amphibians live in Idaho?
- Rainbows: How are they made? What colors are in a Rainbow?
- Weather and Seasons: Deeper dive into the water cycle and clouds
- Artist Van Gogh
- Composer: Chopin
- Continent: Europe

IMPORTANT DATES
