

## April 2024 Newsletter

Dear Room 1 Families,

Spring has finally sprung, hooray! This month Room 1 will be continuing our exploration of the natural world in bloom. We will be learning all about seeds becoming plants and eggs becoming birds or insects through sequencing work and songs! As a reminder, we love playing in wet weather so please provide rain boots to keep at school.

In addition, we will be implementing group shared snacks and food preparation work this month. I will provide a sign up sheet outside our door with a list of snack options!

### Units of Study

In addition to our regularly rotating shelf works, this month we will be focusing on the following themes:

Color: Green

Shape: Quatrefoil

Continent: South America

### Welcome's and Goodbye's

Welcome to our class Lily and Liam!

## IMPORTANT DATES

April 10	Spring Picture Day (Room 1 , 2, Staff)
