Dear Families,

Happy Spring! I hope you are all enjoying the warmer days and spending more time outside.

This month we will wrap-up Time Line of Life. We will start our continent studies and fundamental need. We are finalizing field trips for the end of the month. We will also have parent/teacher conference sign up soon. Lastly, for Earth Day we will participate in our usual clean-up. In class, we will collect reusable materials to make art and fashion with it. Please look for a sign-up sheet for additional materials.

For this school year, we are studying different virtues. If you would like to accompany us on this journey at home, you can look into the book, *The Families Virtues Guide* by Linda Kavelin Popov. This month, we will start with compassion.

I'll leave you with this affirmation:

"I have compassion. I notice when someone is hurt or needs help. I take the time to show that I care."
