

April Newsletter Room 6

Hello Everyone,

Spring is finally here! This month I am introducing some exciting new things. In honor of Earth Day, we will be doing activities that incorporate taking care of our earth and environment. We will be learning how to recycle and reuse gathered materials. I will also be introducing planting and flower arranging. Please see the bulletin board for needed items.

In April we will learn about a new continent. We will dive into the culture, foods and animals of South America. If you have traveled to South America and have any pictures that you would like to share please e-mail to them to me.

The weather this month is still wildly unpredictable. Please help your child pick appropriate clothes to wear and bring to school. Also, please take a moment to check your child's cubby for weather appropriate extra clothes.

Parent Teacher Conference sign-up sheets will be available soon. Please take a moment to sign up for your half hour slot.

Sincerely,

Miss Savannah
