

Dear Room 6 Families,

We had a great year and Miss Lauren and I would like to thank you all for the endless support. It has been a joy watching your child grow within the Montessori Environment!

In May we have been watching the Life cycle of our Butterflies...we will be releasing them into our garden this month!

Families:

- Please remember your child needs to have **CLOSED TOED SHOES** in order to participate on the playground.
- Extra Clothes appropriate for the weather
- Sunscreen to be applied before school day starts

For those that are graduating from Kindergarten, I know you will do great in first grade and invite you to visit anytime! For those of you who are returning in the Fall, enjoy your summer and I will see you in September :)

Miss Olivia and Miss Lauren

Units of Study

Ocean: We will be learning about the marine life, ecosystems and oceans/landforms around the world.

Parts of a Shark: Diving deeper to explore the life of a Shark

Cursive Writing: The Kindergarteners will be introduced to cursive handwriting, which has been shown to improve brain development in the areas of thinking, language, and working memory!
