

October 2024

Room 7

Dear Families,

Welcome to October! The crisp fall air and vibrant colors signal a season of change and growth. Our Montessori classroom is buzzing with excitement and discovery. Here is a glimpse into what we have planned for this month:

- **Language:** We are focusing on phonetics through our UFLI program, as well as, reading stories looking at vocabulary and reading comprehension.
- **Math:** First year students are practicing number sense and reviewing addition. Second years are working on word problems and multiplication.
- **Cultural Studies:** We are learning on what is living and non-living. Also learning about the universe. We will also learn about historical figures with our Wax Museum Project.

Reminders: Make sure your child has cool weather clothes and that they are labelled!

Thank you for your continued support. We're excited for a fun and educational month!
